COURT OF PALMS WINDOW SPECIFICATION

GENERAL RULE:

The installation of windows must be in strict conformity to plans and specifications approved by the Board of Directors of the Court of Palms.

Installation Request:

Any owner desiring to install new windows shall notify the contractor selected to install the windows to provide the following to the Court of Palms through the management company:

- A. A building permit for the window installation
- B. A copy of the contractor's license & insurance
- C. Plan and specs for the window installation
- D. Written certification that the product to be installed complies with all applicable building codes

Product Requirements:

- A. Horizontal window
- B. Clear impact glass
- C. Half screen
- D. Frame: 1. Color – Bronze (factory finished)
2. Dimensions as per attached drawing

Note: most aluminum frames meet this requirement, some vinyl do not.

The objective is to have any new windows match the existing windows since the replacement schedule will depend on each owner.
